"Modern chaotic conditions all over the world are the result of living by ungodly ideals. Individuals and nations can be protected from utter destruction if they live by heavenly ideals of brotherhood, industrial cooperation, and international exchange of earthly goods and experiences."

DMG Services Resume!!!

It is with great joy that we announce the resumption of Denver Meditation Group (DMG) in-person Sunday services beginning June 27, 2021!! Guidelines for attending our in-person services can be found on our web site (www.srf-denver.org). Although we held approximately monthly zoom socials over the past 14 months during the COVID-19 pandemic, we were not able to hold our in-person services. Devotees were only able to meditate together as part of the SRF online meditations (<https://srfonlinemeditation.org>), which you are still welcome to attend.

No Rocky Mountain Yogis Retreat in 2021

Due to uncertainties relating to the ongoing COVID-19 pandemic, we have not scheduled a self-led retreat this year. Our next self-led retreat will be held October 7-9, 2022.

Landscaping / Property Updates

Although we were not able to hold services at our chapel during the pandemic, many of our devotees donated their time, expertise, and resources to improving and beautifying our property. Following are a few of the projects that were completed during the pandemic: installation of double doors in our back building leading to our new patio; gardening and landscaping the grounds; installation of a meditation grotto in the meditation garden (see picture on the front of the newsletter); painting and tuck pointing of the exterior of the back building as well as our expanded storage shed; installation of pavers in front of the storage shed to the east of the back building (picture at upper right); painting of the interior of the back building; and installation of new tile

flooring throughout the back building (see picture below). Many thanks all of the devotees who made these various projects to beautify and preserve our property a reality!!

History Corner

Judge Ben Lindsey and his wife Henrietta (pictured at right) were devoted Denver disciples of Swami Yogananda when the Denver Meditation Group was first formed in

1924. They became good friends with Master and studied his Yogoda System devoutly. Master was greatly delighted to find in Judge Lindsey one of the greatest practical educators, whose knowledge has been derived from the pages of human life, as well as a deep and original thinker offering excellent solutions to many social problems. The November 1925 issue of East-West Magazine mentioned that "A large class of Yogoda students was formed in Denver." The Denver Meditation Group was formed (in August 1924) "with the helpful cooperation of Mrs. F. Simmons, Mrs. Tedrow, and Mr. and Mrs. Smith. The city of Denver vibrated to Swami the love for Nature, health-giving life, and the great personality of Judge Ben Lindsey."
