Introducing our New Foyer Digital Display

Next time you visit the chapel, you will notice a new addition to our foyer—a digital display dedicated to keeping our community connected (below and at right). We will be leveraging this screen to share real-time announcements, upcoming activities, and key group information in a clean, tech-savvy format. Because this system is currently in pilot mode, we view this as a collaborative effort and look forward to receiving your feedback. Please let us know how we can make it even more helpful for you!

Day of Service

On Saturday July 25th we will have a Day of Service at the Center and in the garden from about Noon until about 2:30 PM. Volunteer activities will include cleaning, gardening, and organizing. We hope you can join us to practice some karma yoga!

Sunday School on Summer Break

Many thanks to all of our Sunday School teachers and assistants who made Sunday School a thriving success! We were very glad

that our Sunday School was able to resume this past year on a weekly basis each Sunday.

Our Sunday School is now on summer break during July through mid-August. We will start up Sunday School for children ages 4 and older on August 18th.

No Rocky Mountain Yogis Devotee-Led Retreat This Year

Unfortunately, we will not be holding a devotee-led retreat this year. However, the planning committee is working on arranging for a retreat in 2027 at the Franciscan Retreat Center in Colorado Springs.

History Corner

We recently learned that Master visited Denver on his way back to Los Angeles during his return trip from India in 1936. Based on the November 13, 1936 ad in the Rocky Mountain News (at right), on Saturday November 14th 1936 at 8 p.m Master gave a lecture at the Woman's Club Building, located at 1437 Glenarm Place. This building was torn down some years ago and is now the site of a parking lot.

Thank You!!!

We sincerely thank all those who have helped with recent and ongoing Center

projects including for our Building and landscaping, cleaning and decorating, gardening, etc.

If you are interested in serving our group in any capacity, please contact a council member; we will enthusiastically welcome your assistance!

Awning Over Patio

The awning over our patio fell off the wall on May 31, 2026. Fortunately, no one was hurt. We are exploring alternatives.
